

FREE FREIGHT CORE RETURN PROCEDURES

NOTE: Do not use this form for factory warranty or Mercury Product Protection returns.

STEP 1

Carefully re-package the Powerhead or ECM core for return shipment.

Quicksilver is not responsible for core damage as a result of poor packaging.

STEP 2 - IMPORTANT

Place a copy of the dealership purchase invoice inside the shipping container.

Please use the plastic bag provided to keep the invoice copy from getting damaged or dirty.

STEP 3

For tracking purposes, please record the original engine serial number and replacement remanufactured powerhead serial number on the address label provided below.

STEP 4 - A

Ship all POWERHEAD cores via ROADWAY EXPRESS.

Roadway at 800-872-5225 (not local terminal office) to arrange a pickup. Provide their representative with:

1. Dealership name and address
2. Weight of the powerhead
3. Freight CODE 12 (For free freight and pre-paid bill-of-lading)

STEP 4 - B

Ship ECM cores via MERCURY UPS Ground Collect.

UPS shipments call 1-800-877-1497 to open an account or call 1-800-PICK-UPS for pick ups.
